8 July 1983

Tom Cormack  
Executive Secretary

History Staff Biweekly

On Thursday, 30 June, the DCI's office requested the Dulles and McCone histories, which we dispatched that day.

STAT

[redacted] asked Ken to have lunch next week with him, [redacted]  
[redacted] a retired professor of geography from  
the University of Texas. [redacted] who had served with the  
Research and Analysis Branch of OSS, plans to do a history of  
the branch. The meeting subsequently was postponed  
indefinitely because [redacted] wife is ill.

STAT  
STAT  
STAT

Ken [redacted] of Information Systems  
Security Group, Office of Security, who visited our office to  
discuss a history of ISSG that he is preparing at the request  
of his chief.

STAT  
STAT

[redacted] research assistant at CSI, came in to talk  
about access to histories and documents for [redacted]  
contract study of estimates in the Vietnam War. We referred  
her to DDO and to NIC for access approval.

STAT  
STAT

Ken met [redacted] Assistant NIO for General Purpose  
Forces, who is arranging a series of five or six lectures for  
the Agency's reserve officers' unit's program for next year.  
The lectures would be on aspects of CIA history. Ken suggested  
some possible topics and offered to suggest speakers (they have  
in mind using retired Agency officers).

STAT

Ken had lunch on 7 July with Walter Pforzheimer and got  
from him a number of corrections for our DCI/DDCI booklet, a  
copy of which he had sent to Pforzheimer the week before. Ken  
will make the corrections and check out Pforzheimer's queries  
about other entries before sending the booklet back to the  
printers.
